

## Batchelor Sharp – Conveyancing Fees

### Please note:

- Fees shown here are correct as at April 2026.
- Fees set out here are a guide and an estimate of what will be payable. See also the separate Standard Addition Fees sheet that sets out other fees that may apply depending on the circumstances of your transaction.
- Fees include postage and telephone calls
- The fees we charge for the work we do are set out in the table below.
- Additional costs that we have to pay on your behalf (disbursements/recharges) are set out separately below the fees.
- The searches that are required will depend on the property you buy and the requirements of any lender.
- We use a search provider for our local searches which are personal local searches. Occasionally lenders may require an official local search from the Local Authority and if that is the case we will let you know the cost.
- We appreciate this is a lot of information and a full fees quote will be given on request.
- VAT is stated at the current rate (20%) correct at time of production. If VAT or any other tax rate is imposed before completion we reserve the right to alter your bill accordingly in line with current legislation.
